Assembly Instruction for cushion cover

Step 1. Spread the cushion cover on a flat surface, such as a platform.

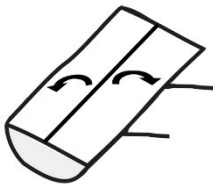

Step 2. Turnover the cushion cover, find the zippers on bottom, fully open the zippers.

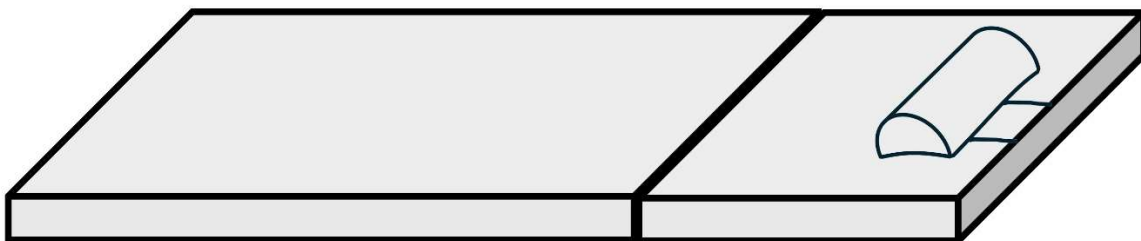

Step 3. Place your foam/sponge into the cover properly, then zip up it.

Step 4. To fill the headrest (if needed), separate the fabric from the middle of the back of the headrest, put the foam/sponge for headrest into the cover carefully, please avoid tearing up the fabric.

Step 5. Turnover the filled cushion cover, now your cushion is ready for using on sunbed.

✧ Please use the tie rope to fix the cushion on your sunbed.
